Ok - it just that the sign is laying down in the ground (public right of way) with a bunch of yellow tape.

Thanks for following up.

Ok, I've forwarded the original email and photo to the crew chief for that area, at the very least they should be able to pick it up this week, Because one of the signs appears to be PPD they may or may not be able to replace it quickly.

I apologize for the delayed responses, I fell way behind in my email over November. Our clerk referred this to our field crews directly, was this repaired?
